U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510P)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

EPA Reg. Number: 75613-2	Date of Issuance: AUG -5 2013
Term of Issuance: Unconditional	
Name of Pesticide Product: Stalosan F	

NOTICE OF PESTICIDE:
 Registration
 Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):
Stormoellen A/S
Ringsbjergvei 16
DK-4682 Tureby

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The application referred to above, submitted under the Federal Insecticide, Fungicide and Rodenticide Act, as amended is acceptable under FIFRA sec. 3(c)(5), provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. A one year study is required to satisfy the storage and stability and corrosion characteristics requirements (Guidelines 830.6317 and 830.6320). You have 18 months from the date of registration to provide these data.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. The next label printing of this product must use this labeling unless subsequent changes have been approved. You must submit one (1) copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and it's implementing regulation at 40 CFR 152.3.

[bracketed phrases are optional text]

Stalosan F

For use in livestock housing, to improve the external environment and flooring conditions around animals.

Lack of moisture assists in the reduction of non-public health microorganisms
Stalosan F adsorbs moisture, ammonia, hydrogen sulphide and other gases

- [Inhibits the growth of non public health bacteria and fungi]
- [Eliminates odor causing bacteria, fungi, mold, and mildew]
- [Inhibits the growth of non public health bacteria]
- [Inhibits the growth of non public health fungi]
- [Reduces ammonia and moisture]
- [Eliminates odor causing bacteria, fungi, mold, and mildew]
- [Eliminates odors associated with bacteria, mold, and mildew]
- [Deodorizes], [Deodorizer]
- [Controls and inhibits odor causing bacteria, fungi, mold, and mildew]

Active Ingredients:

Copper Sulfate Pentahydrate* (CAS No. 7758-99-8).....	2.66%
Inert Ingredients.....	97.34%
TOTAL.....	100.00%
*Metallic Copper Equivalent Equal-----	0.68%

Caution

Keep Out of Reach of Children

FIRST AID

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment advice. You may also contact the National Pesticide Information Center at 1-800-858-7378, 7 days a week between 7:30am and 3:30pm PST, for emergency treatment advice.

25 Kg. Net Wt.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing.

Personal Protective Equipment (PPE).

Mixers, loaders, applicators and other handlers must wear the following:

Goggles or face shield when applying with blower units

Long-sleeved shirt and long pants

Shoes plus socks

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

User Safety Recommendations

Users should:

- Wash hands before eating, drinking, chewing gum, tobacco, or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates and may contaminate water through runoff. This product has a potential for runoff for several months or more after application. Poorly draining soils and soils with shallow water tables are more prone to produce runoff that contains this product. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas.

Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

Application methods: Limited application can be conducted by utilizing a hand cranked spreader or duster device. When using a hand crank device, carefully deposit product from the bag into the hopper of the device using a measuring cup consistent with recommended application rates. For more extensive applications, use an electric or gas powered blower unit capable of blowing 300-400 cubic feet per minute. Select blowers that have vacuum capability. Determine the amount of product needed for the area of application and pour directly from bag or bucket into a temporary storage container. Use the vacuum attachments which come with these units to draw up material directly from the temporary storage container. Clean up any spillage during application and dispose of according to disposal instructions shown below.

Dosage rates: Add 1 pound of **Stalosan F** to every 100 sq. ft. If the area is badly affected, increase the dosage slightly. Initially apply **Stalosan F** once a day for 3 days. Continue treatment once a week, thereafter. **Stalosan F** can be applied while animals are present.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store this product in a cool, dry area away from direct sunlight and heat to avoid deterioration and in an area inaccessible to children.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Once bag is empty, dispose of in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

ACCEPTED
AUG 05 2013
Under the Federal Insecticide, Fungicide, and
Rodenticide Act as amended, for the
pesticide, registered under
EPA Reg. No. 75613-2
